

3 Weeks Intensive Training

- Training course aimed at farm managers and supervisors.
- In-farm training is the proposal that OPP Group offers for setting up the new generations farms.
- It is a hands-on-course that involves a stay of 3 weeks in Albesa Ramadera performing different tasks.
- Dealing with all technological aspects of the farm.
- This training will be structured and guided. We guarantee a full competence in all areas of the farm upon completion.
- Benefits:
 - The candidates upon completion of the training will be able to manage a farm.
- Maximum 3 candidates per group.
- Course available in Spanish, Catalan and English.
- Diploma on completion of the course.
